AYESHA SIDDIKA

Full Stack Developer (Next.js & MERN) | UI/UX Background

Dhaka, Bangladesh | +880 1828 058092 | ayeshasiddika3288@gmail.com

LinkedIn | GitHub | Behance | Portfolio

PROFESSIONAL SUMMARY

CSE student building full-stack web apps with Next.js, TypeScript, Node.js and MongoDB. A UI/UX design internship gave me a strong eye for usability, so I care about how an app works and how it feels to use. Seeking a junior software engineer role or internship.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), TypeScript, React.js, Next.js, Tailwind CSS

Backend & Database: Node.js, Express.js, MongoDB, REST APIs, JWT, BetterAuth

Tools & Design: Git, GitHub, VS Code, Vercel, Figma, Adobe XD, Adobe Illustrator, Adobe Photoshop

PROJECTS

Bazar Dor | Next.js, TypeScript, BetterAuth, MongoDB Atlas — *Live: b14-a7-bazar-dor-six.vercel.app*

- Grocery price-tracking website for Bangladesh with category pages and secure user authentication.
- Built with the Next.js App Router, connected to MongoDB Atlas, and deployed on Vercel.

FitLog — *Live: b14-assignment-06.vercel.app*

- Workout library app to browse exercises, with a clean, responsive interface. Deployed on Vercel.

Movie Explorer — *Live: movie-explorer-psi-dusky.vercel.app*

- Movie discovery app with search and a details view, handling loading and error states. Deployed on Vercel.

EXPERIENCE & TRAINING

Full Stack Development Diploma (12 months) | Creative IT Institute (CIT) — *Jul 2026 - Present*

- Live classes and hands-on projects in full-stack web development.

Full Stack Web Development Training | Programming Hero — *Ongoing*

- Training in React, Next.js, TypeScript, Node.js, Express and MongoDB; built and deployed projects with authentication and databases.

UI/UX Design Intern (Industrial Attachment) | Creative IT Institute, Uttara — *Aug 2023 - Nov 2023*

- Worked on user research, wireframing and prototyping in Figma and Adobe XD.

EDUCATION

B.Sc. in Computer Science & Engineering | Northern University Bangladesh — *In Progress*

- CGPA 3.35 up to the 7th semester; 8th semester running (out of 9).

Diploma in Engineering (Computer Technology) | Noakhali Ideal Polytechnic Institute, BTEB — *2019 - 2023*

- CGPA 3.60 / 4.00; A+ in 8th semester industrial training.

Secondary School Certificate (Science) | Baluchara Ibrahim Mia High School, Cumilla Board — *2016*

- GPA 4.33.

LANGUAGES & INTERESTS

Bangla: fluent. English: advanced reading and writing, conversational speaking. Interests: UI design, travelling, reading stories.
